WHEREAS, Volkswagen has also entered related agreements with the United States Department of Justice (“DOJ”) on behalf of the Environmental Protection Agency (“EPA”), the Federal Trade Commission (“FTC”), and the State of California by and through the California Air Resources Board (“CARB”) and California’s Office of the Attorney General (“CA AG”);

WHEREAS, the Court, for the purposes of this Order, adopts all defined terms as set forth in the Class Action Settlement;

WHEREAS, this matter has come before the Court pursuant to Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement and Approval of Class Notice (the “Motion”);

WHEREAS, Volkswagen does not oppose the Court’s entry of the proposed Preliminary Approval Order;

WHEREAS, the Court finds that it has jurisdiction over the Action and each of the Parties for purposes of settlement and asserts jurisdiction over the Settlement Class Representatives for purposes of considering and effectuating this Settlement;

WHEREAS, the Court held a Preliminary Approval Hearing on July 26, 2016; and

WHEREAS, this Court has considered all of the submissions related to the Motion and, having presided over and managed the MDL proceedings as Transferee Judge, the Preliminary Approval Hearing, and is otherwise fully advised of all relevant facts in connection therewith.

**IT IS HEREBY ORDERED AS FOLLOWS:**

**I. PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT**

1. The Settlement appears to be the product of intensive, thorough, serious, informed, and non-collusive negotiations overseen by the Court-appointed Special Master and former Director of the Federal Bureau of Investigation Robert S. Mueller, III; has no obvious

1 deficiencies; does not improperly grant preferential treatment to the Settlement Class  
2 Representatives or segments of the Class; and appears to be fair, reasonable, and adequate, such  
3 that preliminary approval of the Settlement should be granted, notice of the Settlement should be  
4 directed to the Class Members, and a Fairness Hearing should be set.

5 2. Accordingly, the Motion is GRANTED.

6 **II. THE CLASS, CLASS REPRESENTATIVES, AND CLASS COUNSEL**

7 3. “Class” or “Settlement Class” is defined, for purposes of this Class Action  
8 Settlement only, a nationwide class of all persons (including individuals and entities) who, on  
9 September 18, 2015, were registered owners or lessees of, or in the case of Non-Volkswagen  
10 Dealers, held title to or held by bill of sale dated on or before September 18, 2015, a Volkswagen  
11 or Audi 2.0-liter TDI vehicle in the United States or its territories [an “Eligible Vehicle,” defined  
12 more fully in Section 2.33 of the Consumer Class Action Settlement Agreement and Release  
13 (Amended)], or who, between September 18, 2015, and the end of the Claim Period, become a  
14 registered owner of, or, in the case of Non-Volkswagen Dealers, hold title to or hold by bill of  
15 sale dated after September 18, 2015, but before the end of the Claims Period, an Eligible Vehicle  
16 in the United States or its territories. The following entities and individuals are excluded from the  
17 Class:

18 (a) Owners who acquired ownership of their Eligible Vehicles after September 18,  
19 2015, and transfer title before participating in the Settlement Program through a Buyback or an  
20 Approved Emissions Modification;

21 (b) Lessees of an Eligible Vehicle that is leased from a leasing company other than  
22 VW Credit, Inc.;

23 (c) Owners whose Eligible Vehicle (i) could not be driven under the power of its own  
24 2.0-liter TDI engine on June 28, 2016, or (ii) had a Branded Title of Assembled, Dismantled,  
25 Flood, Junk, Rebuilt, Reconstructed, or Salvage on September 18, 2015, and was acquired from a  
26 junkyard or salvage yard after September 18, 2015;

27 (d) Owners who sell or otherwise transfer ownership of their Eligible Vehicle between  
28 June 28, 2016, and September 16, 2016 (the “Opt-Out Deadline”), inclusive of those dates;

1 (e) Volkswagen’s officers, directors and employees and participants in Volkswagen’s  
2 Internal Lease Program; Volkswagen’s affiliates and affiliates’ officers, directors and employees;  
3 their distributors and distributors’ officers, directors and employees; and Volkswagen Dealers and  
4 Volkswagen Dealers’ officers and directors;

5 (f) Judicial officers and their immediate family members and associated court staff  
6 assigned to this case; and

7 (g) All those otherwise in the Class who or which timely and properly exclude  
8 themselves from the Class as provided in the Class Action Settlement.

9 4. The Court preliminarily finds that the proposed Settlement Class as defined above,  
10 consisting of owners and lessees of over 474,000 identifiable vehicles, meets the numerosity  
11 requirement of Rule 23(a)(1); meets the commonality and predominance requirements of Rule  
12 23(a)(2) and (b)(3); finds that the claims of the proposed Settlement Class Representatives are  
13 typical of the claims of the Class under Rule 23(a)(3), and that they have and will fairly and  
14 adequately represent the interests of the Class under Rule 23(a)(4), and hereby preliminarily  
15 certifies the Class and designates as Settlement Class Representatives the proposed  
16 representatives identified in the Motion.

17 5. The Court preliminarily finds that the Lead Counsel and the PSC will fairly and  
18 adequately represent the interests of the Class under Rule 23(a)(4), have done so, and are  
19 adequate under Rule 23(g)(1) and (4), and, therefore, hereby appoints Lead Counsel and the PSC  
20 as Settlement Class Counsel, under Rules 23(c)(1)(B) and 23(g) to implement and complete the  
21 Settlement Approval Process.

22 **III. NOTICE TO CLASS MEMBERS**

23 6. Under Rule 23(c)(2), the Court finds that the content, format, and method of  
24 disseminating Notice, as set forth in the Motion, the Supplemental Declaration of Shannon  
25 Wheatman, filed on July 25, 2016 and the Consumer Class Action Settlement Agreement and  
26 Release—including direct First Class mailed notice to all known Class Members and an extensive  
27 and targeted publication campaign—is the best notice practicable under the circumstances and  
28 satisfies all requirements provided in Rule 23(c)(2)(B). The Court approves such notice, and

1 hereby directs that such notice be disseminated in the manner set forth in the Class Action  
2 Settlement to Class Members under Rule 23(e)(1).

3 **IV. SCHEDULE AND PROCEDURES FOR DISSEMINATING NOTICE, FILING**  
4 **CLAIMS, REQUESTING EXCLUSION FROM THE CLASS, FILING**  
5 **OBJECTIONS TO THE CLASS ACTION SETTLEMENT, AND FILING THE**

23 **V. FAIRNESS HEARING**

24 7. The Fairness Hearing shall take place on October 18, 2016 at 8:00 a.m. at the  
25 United States District Court for the Northern District of California, United States Courthouse, 450  
26 Golden Gate Avenue, San Francisco, California 94102, before the Honorable Charles R. Breyer,  
27 to determine whether the proposed Class Action Settlement is fair, reasonable, and adequate,  
28

1 whether it should be finally approved by the Court, and whether the Released Claims should be  
2 dismissed with prejudice under the Class Action Settlement and the Notice Program.

3 **VI. OTHER PROVISIONS**

4 8. Settlement Class Counsel and Volkswagen are authorized to take, without further  
5 Court approval, all necessary and appropriate steps to implement the Class Action Settlement  
6 including the approved Notice Program.

7 9. The deadlines set forth in this Preliminary Approval Order, including, but not  
8 limited to, adjourning the Fairness Hearing, may be extended by Order of the Court, for good  
9 cause shown, without further notice to the Class Members, except that notice of any such  
10 extensions shall be included on the Settlement Website. Class Members should check the  
11 Settlement Website regularly for updates and further details regarding extensions of these  
12 deadlines. Exclusions and Objections must meet the deadlines and follow the requirements set  
13 forth in the approved Class Notice in order to be valid.

14 10. Class Counsel and Defendants' Counsel are hereby authorized to use all  
15 reasonable procedures in connection with approval and administration of the Class Action  
16 Settlement that are not materially inconsistent with the Preliminary Approval Order or the Class  
17 Action Settlement, including making, without further approval of the Court, minor changes to the  
18 Class Action Settlement, to the form or content of the Class Notice, or to any other exhibits that  
19 the Parties jointly agree are reasonable or necessary.

20 11. The Court shall maintain continuing jurisdiction over these proceedings for the  
21 benefit of the Class as defined in this Order.

22 12. Because the Class Action Settlement does not resolve all claims asserted in the  
23 Action, there shall be no stay or suspension of the Action against any Defendants, including  
24 Volkswagen.

25 IT IS SO ORDERED.
